Dear St. Mary Families,

Thank you to everyone who bought or sold our PTO mums! The Mum sale has been a huge success. Please plan on picking up your mum orders on Wednesday, 9/18 between 5pm and 7pm. We appreciate your support of St. Mary School! Also, a huge thank you to the PTO for providing our lunches on Thursday! It is always such a treat!

Next week is our Faith in Action Week! We continue to further our mission by honoring first responders and thanking them for their service to our communities. In this weekend's Gospel, Peter declares that Jesus is the Christ, and Jesus teaches that those who would follow him must take up his or her cross. Peter recognizes that Jesus is the Savior. Although he didn't want to hear what Jesus taught his disciples—that he would suffer, die, and rise from the dead. Jesus knew that his suffering, Death, and Resurrection were God's plan for our salvation. He taught us that God's plan for us is far greater than we can know or expect.

I pray that all of you have a wonderful weekend!

God Bless,
Mrs. Pam Wells
Principal

CATHOLIC 101

Did you know:

Why is the Catholic Church's Home in Rome?

Saint Peter, the first pope, began his ministry in Jerusalem. Eventually, he ended up in Rome, where he was its first bishop and was then crucified and buried on Vatican Hill. That spot was imperial property, but in the fourth century, the Roman emperor donated the land and buildings to the pope in compensation for property and funds that were seized from Christians during years of Christian persecution. It's important that the Church continues to have its home in the place where Saint Peter spent his final years and was bishop and pope.
