Dear St. Mary Families,

Thank you to everyone who has participated in our World's Finest Chocolate Fundraiser! We only have a few boxes left!

Next week is our Faith in Action week for November. We are donating different foods for the food pantry. Be on the lookout for more details in your teacher's newsletters.

In this weekend's Gospel, Jesus teaches about the signs of the coming of the Son of Man. We don't know when the things that He talks about will happen, but we know that they will happen. Jesus does not want us to be frightened by these signs, nor does he want us to be fearful about the fact that the world will one day come to an end. Many things in the world may change, but Jesus' words to us and God's love for us will never change.

I pray that all of you have a wonderful and JOYFUL weekend!

God Bless,
Mrs. Pam Wells
Principal

CATHOLICISM 101

Did you know:

Catholics believe that God is the Creator of heaven and earth because that's what Divine Revelation tells us. This belief is supported by our human logic and science, which tell us that time and space had a beginning, Creation. Catholics also believe that because of Adam and Eve's Original Sin, all of us have a wounded sinful nature. We all face judgment at the end of the world.

Energy Bus: Positive Passengers
